**Letter of Appreciation – regarding
Sponsorship of the Australian Police Rugby Union Golden Oldies**

To whom it may concern,

We, the members of the Australian Police Rugby Union Golden Oldies would like to thank you for your sponsorship and support in relation to our fundraising towards Police Legacy and other charities in Australia.

The Australian Police Golden Oldies are Police both serving and retired, from around the country, who get together to continue playing the sport that they love, although in somewhat of a modified version. We are all over 35 years of age with our current oldest player being 65. We play in numerous 'Gala Days' over the year in different locations.

More Media Group are the official publishers of the Australian Police Rugby Union Golden Oldies Wall Calendar and our Official Journal.

We are very grateful for your support and putting your sponsorship money to the much needed families of those Police Killed or seriously injured, as well as other Australian Police related charities.

Kind Regards,

Anthony HYNDES
President
APRU Golden Oldies
